

2013-14 Senior High Knowledge Bowl Tier Options

- Currently there are 104 teams registered (based on 2012-13 and changes made thus far).
- Our region sends 5 teams to State.
- RCTC is remodeling areas and there are fewer rooms (18) available.
- There are not enough rooms available at RCTC to split the team's 40%/60% as in previous years (unless not all teams compete in Sub-Regional).
- We have reserved 3 days at RCTC: 2 for competitions and 1 reserved for a snow day.

Please vote on your preferred option. The chart shows each of these options.

Option 1

- Divide teams in half
- Top 12 from their respective Sub-Regional advance to their respective Regional (12 teams)
- Top 2 teams from each tier automatically advance to State
- Next top score from either tier's Regional advances to State (3rd place from either tier's Regional. If there is a tie between both 3rd place teams, it will be broken by: 1) Written score, 2) Highest oral score 3) Next high oral score)
(18 rooms for Sub-Regional)

Option 3

- Same as Option 1 except **limit number of teams a school can send to Sub-Regional to 5.**
- Top 12 teams from their respective Sub-Regional advance to their respective Regional
- Top 2 teams from each tier automatically advance to State
- (3rd place from either tier's Regional. If there is a tie between both 3rd place teams, it will be broken by: 1) Written score, 2) Highest oral score 3) Next high oral score)
(17 rooms for Sub-Regional)

NOTE: Option 2 included a bye for the three top teams in each tier. The majority of coaches at the meeting on 9/17/2013 voted to eliminate this option.
