Minnesota Service Cooperatives Voluntary Dental Program

**Flexibility for your group**

- With a Voluntary plan, your group doesn’t have to pay a penny.
  - Employees who choose to participate pay most or all the costs and your group decides how much (if anything) it wants to pay on their behalf.

- With a choice of three plan designs for your group, we move well beyond “cookie-cutter benefits,” providing a range of options that works for you and your employees.

After you select a plan design for your group, employees will be able to choose between two coverage options.

*Select one of the following three plan designs to offer to your employees:*

**Plan A** - Designed to provide coverage for preventive and basic restorative services for your employees and their families at our most affordable rates.

**Plan B** - Offers preventive coverage at 100% in addition to coverage for basic restorative services and simple oral surgery.

**Plan C** - A comprehensive plan design with coverage for preventive, basic restorative and major restorative services, including endodontics, periodontics and more.

**Take the next step**

After you select a plan design, follow your Administrator’s Guide to receive complete enrollment material. We make implementation and administration simple and efficient.

July, 2012

Dear Benefits Administrator,

Thank you for considering a Delta Dental plan for your employees. For more than 35 years, Delta Dental of Minnesota has been the trusted hometown dental benefits carrier. We are pleased to be endorsed as the dental benefits vendor of choice by the Minnesota Service Cooperatives. We offer easy-to-understand, cost-effective dental benefit plans, access to Minnesota’s largest dentist networks and a commitment to top quality customer service.

We are pleased to offer a choice of Voluntary dental plans in conjunction with National Insurance Services, our selected marketing partner. NIS has a longstanding commitment of providing products and services to the Minnesota educational community.

Enclosed you will find three Dental Plan Summaries for your consideration. Each Plan comes with two Options that offer different coverage levels, deductibles, lifetime maximums and monthly premiums to meet the varying needs your employees. All plans offer solid coverage to meet your employees’ basic dental needs and offer access to the Delta Dental Premier® and Delta Dental PPO networks – Minnesota’s largest dentist networks. Plan premiums are established on July 1st and are effective through June 30th for new group and renewals rates. Premiums are guaranteed for 12 months for all individual groups.

Here are a few easy steps to get started:

1. First, select the Dental Plan you wish to offer employees. Each group can only select one of the three dental plans—Dental Plan A, Dental Plan B or Dental Plan C—to offer to all their employees. The group cannot select more than one plan, interchange plan options or alter coverage levels.

2. Please provide each eligible employee a copy of the Dental Plan selected by the school along with a copy of the enclosed Member Enrollment Form. After reviewing the Dental Plan employees must select either Option 1 or Option 2, based on their individual needs.

3. Then, employees must complete the Member Enrollment Form. A toll-free number (listed on the Dental Plan) is available to help answer any question you or your employees may have.

4. At the end of the enrollment period, please collect the completed and signed Member Enrollment Forms. Please ensure that all fields are completed. Any incomplete forms may delay enrollment.

5. Please submit all the completed Member Enrollment Forms along with your completed Group application (enclosed) and a check written out to “Delta Dental of Minnesota” for the first month’s total premium to:

National Insurance Services
Service Cooperatives Dental Program
14852 Scenic Heights Road, Suite 210
Eden Prairie, MN 55344

Upon receipt of your initial application & enrollment material, we will set up your group benefits and mail back your Welcome Packet with the Group Administrator Manual, Member ID cards, Summary Plan Descriptions, etc. This process takes approximately 10-15 business days.

If you or your broker has any questions, please call National Insurance Services at (952) 941-7372 or toll free at (800) 443-6011

Sincerely,

Delta Dental of Minnesota & National Insurance Services

Frequently Asked Questions

May I go to any dentist?
You have the freedom to see any dentist. However, dentists who participate in our Delta Dental PPO or Delta Dental Premier networks—the two largest dentist networks in Minnesota—have agreed not to charge more than our maximum allowable amount. This can result in lower out-of-pocket costs. Choosing a dentist in the Delta Dental PPO network may save you even more money. As an added convenience, you never have to file a claim when you use a participating dentist—the dentist files the claim for you.

How do I find a participating dentist?
Finding a participating dentist is easy. Simply visit www.deltadentalmn.org and use our interactive Dentist Search tool or call Customer Service locally at 651-406-5916 or toll free at 1-800-553-9536.

What happens if I visit a non-participating dentist?**
If dental services are received from a non-participating dentist, you will be responsible for paying the difference between our maximum allowable amount and what the dentist charges. You may be responsible for submitting your own claim. The address to submit claims is on the back of your Delta Dental ID card. In addition, reimbursement for covered services will be paid directly to you.

What if I have an emergency outside the United States?
Delta Dental automatically includes international emergency coverage in 137 countries. English-speaking customer service representatives are available 24 hours a day, seven days a week to help members arrange emergency care. For more information, visit www.deltadentalmn.org.

How do I find out if my claim was paid?
Our online claims inquiry tool provides claims detail. Our Web site offers other interactive features including eligibility and benefits inquiry, oral health resources and much more. You may also call Customer Service to get claims status and payment information.

How is work in progress handled?
For services started prior to your effective date under the Delta Dental plan, payment of the claim is based on the service completion date.

How do I know how much I’ll be responsible for?
For major dental procedures, the dentist can submit a pre-treatment estimate to Delta Dental of Minnesota for an estimate of benefits and financial responsibility prior to the service.
