SESSIONS & PRESENTER

- A. Creating Phantasmic Worlds** Create a world your readers can dive into! Learn about world-building tips and techniques to craft a believable, unique setting for your characters, no matter the genre. *El Holly*
- B. Becoming a Myster Writer** Solving a mystery can be a challenge, but when you create the perfect crime and brilliant characters to tell the story, nothing is impossible! In this class, we'll discuss setting the scene of the crime, creating sly and unforgettable characters, and introducing obstacles only the cleverest sleuth can overcome. The criminal won't stand a chance! *Jennifer Davidson*
- C. Origami with Triangles** Using copy paper, you will learn an easy way to fold and cut an equilateral triangle. After making three, the origami begins! First we'll make a Pyramidal container with a cool closing lock, then we'll make a star with 2 interlocking pieces. You will leave the session with some knowledge of geometry and two great origami models you will surely want to make again. *Kathleen Sheridan*
- D. Kaiju Character Creation** In this class we will create an awesome original Kaiju monster character. The term kaiju (which comes from the Chinese text classic of Mountain and Seas) can refer to the giant monster themselves, which are usually depicted attacking major cities and engaging the military, or other kaiju, in battle. We will discuss your favorite kaijus and what makes a memorable character. After the discussion we will create a kaiju by using our creativity and artistic skills with the aid of a handout filled with helpful hints. *Scott Rolfs*
- E. Make 'em Sweat!** Wear your sweats and warm up your writing muscles at five-minute work-out stations using items from your junk drawer and your scariest-ever experience/fear. You'll write short scenes to propel characters through suspense-filled action that will make your plots boil with tension. To get the creativity flowing, you'll be moving more than your pencil in between each writing workout. So stretch out in advance and get ready to sweat! *Mary Bleckwehl*
- F. Painting LeRoy Llama** Join Sunshine and Roses Traveling Art Studio virtually! Session will include a recorded canvas painting lesson with Penni, painting LeRoy Llama. *Penni Kittelson*
